**Helpful Information for future chairs**

This is another project that is a “filler” project, as in, when there isn’t anything else on the schedule, we schedule something like this in a hurry to make it look like we’ve got a lot going on. The chair gets to pick the movie and time, and should announce it to the group ASAP. Once, the Durham group “invaded” Chapel Hill, and we tagged along with them at their movie. This was also a lot of fun. Both times we have done Movie Night we went to Timberline because it is less expensive and parking isn’t quite as much an issue. As long as people know where everyone is meeting, it can be done at any theatre in the area.
